Successful community content strategies

Cartoon Network wins L.O.S.E.

Cartoon Network Asia has acquired **Nerd Corps'** animated comedy the **League of Super Evil**, aka L.O.S.E.

The series will launch next year on Cartoon Network in more than 25 countries, including India, Pakistan, Australia, New Zealand, Korea, China and several others in South-east Asia.

The net will handle all rights, including merchandising, for the 26x30' series, which will be aired as two consecutive 11-minute segments. Additionally, Nerd Corps has created 30-second shorts tied to each episode for use as bonus on-air or online content.

Cartoon Network in the US and YTV in Canada both launched the series in March. It has also debuted on CBBC in the UK, Jetix in Latin America and Canal+, Canal J and Gulli in France.
