MUMBAI: In an attempt to beef up its offerings this summer, Jetix has introduced two daily shows - *Storm Hawks* and *Urban Vermin*.

While *Storm Hawks* will air Monday to Friday at 6:30 pm, *Urban Vermin* will air Monday to Friday at 1:30 pm.

Storm Hawks is a story about Aerrow,

Radarr, Piper, Junko, Stork and Finn.

No Sky Knight squad is more legendary than the Storm Hawks but that was before the dark forces of Cyclonia put them out of commission. Now, five mismatched teens and their strange, furry sidekick have taken their quest, their gear and their name.

Armed with high-octane, transforming flying motorcycles, these punks are dog fighting some of the nastiest villains ever to hit the skies.

Urban Vermin revolves around two brothers – Abe and Ken. Once best of friends, they have now transformed into best of enemies.

Urban Vermin is a fast-paced, comedic look at the struggle between good and evil. Here the brave and heroic raccoon, Abe and his band of [freedom fighters](#), battle against his evil brother, Ken and his army of rats in an effort to liberate "the block" - the city neighbourhood where they all live.
