Vancouver, Canada-based Nerd Corps Entertainment has scored a plum spot on CBBC for brand-new toon comedy *The League of Super Evil!*.

Along with the deal at the Beeb, Canuck kidnet YTV is onboard as commissioning broadcaster and plans to air the show targeting six to 11s in two, consecutive 11-minute segments.

Nerd Corps is also creating 30-second shorts tied to each ep for use as bonus content.

In the US, VROOM HD has earmarked the series for its Animania HD platform. Armed with a whole new approach to badness, *The League of Super Evil* (a.k.a. L.O.S.E.) follows four would-be megalomaniacs, who may just give evil a bad name, as they set their sights on nothing less than total neighborhood domination.
